

# It's a different flu season!

## 2009 H1N1 Flu Clinic Schedule for PRIORITY GROUPS

*More clinics  
will be offered  
later in November  
for ALL other  
Perth County  
residents*

**H1N1 vaccine clinics are now open to people in the following groups:**

- People 64 years and under with chronic conditions (e.g. diabetes, asthma, kidney disease, etc)
- Children 6 months to 5 years of age
- Health care workers
- People who care for persons at high risk who cannot be immunized or may not respond to vaccines (e.g. infants less than 6 months or people with immune system deficiencies)
- Pregnant women over 20 weeks, or with underlying medical conditions, or women who have recently had a baby.

Please bring your **health card** and **driver's licence** to these clinics.  
You will still be seen, even if you don't have either of these cards.
